

GUIDE TO ASGA WORKSHOPS

2019 ADVISORS CONFERENCE

How do you choose which workshops to attend? Look for these icons on the conference schedule to decide which workshops will best meet your needs.

Structures and Systems

The operations of any SG are regulated by the structures and systems in place. If your SG is not performing as effectively as it should, then we encourage you to assess whether those structures and systems are an obstacle in achieving your goals. If your SG identifies this as a potential issue, you should ensure that someone from your delegation attends any of the sessions with this icon.

A *Starting Over: Jump-Starting Your Student Government from Scratch* – Butch Oxendine

I *Structural Integrity: Is Your Ship Ready for the Voyage Ahead?* – Michael D. Anthony, Ph.D.

Personal Growth

No one is perfect! As leaders, we all have areas in which we can improve. These sessions are specifically designed to focus on SG members' individual leadership development. If you are working to try to enhance your own skill set, be sure you attend one of the sessions with this icon.

F *Managing Multiple Priorities: Important vs. Urgent* – Michael D. Anthony, Ph.D.

Conflict Resolution

Conflict is an inevitable part of any effective SG. If you do not have it, then something is probably "off" within your organization. It is not a question of if you will experience it, rather it is how you will deal with it that is important. If your SG gets bogged down by the drama, or you feel you can improve in this area, be sure that you or someone from your delegation attends any of the sessions with this icon.

C *Cleaning Up the Dirty Fighting In Your SGA* – Michael D. Anthony, Ph.D.

Delegation

Do you feel like only a few people are engaged in your SG? Sometimes we do not maximize our SG's potential because we fail to spread the work around. This can often lead to high rates of burnout and turnover within SG. If your SG is not effectively utilizing the wealth of talent within its ranks, be sure that someone from your delegation attends any of the sessions with this icon.

L *D.E.L.E.G.A.T.E.–Just Do It!* – Michael D. Anthony, Ph.D.

Advisor

ASGA recognizes the invaluable contributions advisors make to the overall productivity of their institution's SG which is why we have specially tailored sessions just for you. While all of our SG sessions have learning outcomes associated with them, these sessions provide advisors with tools for your toolbox. Whether you are new to advising, or just need to refresh, be sure to check out any of the sessions with this icon.
