

GUIDE TO ASGA WORKSHOPS

2022 ADVISORS CONFERENCE

How do you choose which workshops to attend? Look for these icons on the conference schedule to decide which workshops will best meet your needs.

Structures and Systems

The operations of any SG are regulated by the structures and systems in place. If your SG is not performing as effectively as it should, then we encourage you to assess whether those structures and systems are an obstacle in achieving your goals. If your SG identifies this as a potential issue, you should ensure that someone from your delegation attends any of the sessions with this icon.

A *Starting Over: Jump-Starting Your Student Government from Scratch* – Butch Oxendine

Public Relations

These sessions are designed to ensure your student government is well poised to gain exposure for your initiatives, programs and services. If your SG struggles with marketing and messaging, then we encourage you to ensure someone from your delegation attends any of the sessions with this icon.

C *How to Improve Your SG's Web and Social Media Presence* – Butch Oxendine

ASGA recognizes the invaluable contributions advisors make to the overall productivity of their institution's SG which is why we have specially tailored sessions just for you.
