

GUIDE TO ASGA WORKSHOPS

2025 ADVISORS CONFERENCE

How do you choose which workshops to attend? Look for these icons on the conference schedule to decide which workshops will best meet your needs.

ORGANIZATION EFFECTIVENESS

Whether you are a newly established, struggling, or high performing SG, organizational effectiveness is an essential aspect to your fulfilling your mission and established goals. These sessions are designed to set your SG up for success with tools. If your SG identifies this as a potential issue, do yourselves and your student body a favor-- ensure that someone from your delegation attends any of the sessions with this icon.

I *From Vision to Reality: Aiding the SG In Achieving Their Goals – Suzette Walden Cole, Ph.D.*

STRUCTURES AND SYSTEMS

The operations of any SG are regulated by the structures and systems in place. If your SG is not performing as effectively as it should, then we encourage you to assess whether those structures and systems are an obstacle in achieving your goals. If your SG identifies this as a potential issue, you should ensure that someone from your delegation attends any of the sessions with this icon.

D *Starting Over: Jump-Starting Your Student Government from Scratch – Butch Oxendine*
