

# GUIDE TO ASGA WORKSHOPS

## 2026 ADVISORS CONFERENCE

How do you choose which workshops to attend? Look for these icons on the conference schedule to decide which workshops will best meet your needs.

### Organization Effectiveness

Whether you are a newly established, struggling, or high performing SG, organizational effectiveness is an essential aspect to you fulfilling your mission and established goals. These sessions are designed to set your SG up for success with practical tools. If your SG identifies organizational effectiveness as a potential issue, do yourselves and your student body a favor—ensure that someone from your delegation attends any of the sessions with this icon.

**H. NEW** *Less Words More Action: Building Spaces Where Belonging Matters* – Suzette Walden Cole, Ph.D.

### Structures and Systems

The operations of any SG are regulated by the structures and systems in place. If your SG is not performing as effectively as it should, then we encourage you to assess whether those structures and systems are an obstacle in achieving your goals. If your SG identifies this as a potential issue, you should ensure that someone from your delegation attends any of the sessions with this icon.

**BONUS** *Starting Over: How to Jump Start Your Student Government* – Butch Oxendine

### Advisor

ASGA recognizes the invaluable contributions advisors make to the overall productivity of their institution's SG which is why we have specially tailored sessions just for you. While all of our SG sessions have learning outcomes associated with them, these sessions provide advisors with tools for your toolbox. Whether you are new to advising, or just need to refresh, be sure to check out any of the sessions with this icon.
